

## Director's Note

With solo & ensemble in the rear view mirror, East orchestra is looking forward towards the many exciting happenings in the next two months

First off, congratulations to all orchestra students for their great performances at our annual solo & ensemble festival. This year, nearly 45 East orchestra students qualified for the State Festival (held on April 27th at Peck School of the Arts). Way to go!

When students return from Spring Break we will be gearing up for 1. All City String Festival (April 14th) and 2. The Spring orchestra concert (May 15th). They are close together this year so students have already started working on music for May.

Finally, we keep moving towards an amazing Austrian trip next fall. East Bands' recent trip to Ireland has reignited the excitement about our incredible opportunity next fall. There are travel forms being sent home this week with a couple of "upcoming" deadlines.
